# All About Me Topic Web: Autumn Term

## Mrs O'Reilly: YR Bumble Bees

Dear Parents/Carers,  
Welcome to Stretton Sugwas. I hope you have had a lovely summer and the children are excited and ready for **school. Our topic this term is "All About Me" and over-leaf you will find a topic web. This shows you some of the things we will hopefully be doing linked to our topic.**

We will start PE sessions in the second week (week beginning 12th September) so if all children could have their PE kits in school by the end of the first week we would be grateful. For their PE kit your child needs: a white t-shirt, black or navy shorts and daps/trainers. Depending on the weather in the first half term we may be outside so you might want to also send a top and joggers. All of the clothes must be named and placed in a named bag.

The children will have a chance to take home a story book this week, if you could record when you have read it in the reading record and keep it in the book bag we will be able to swap it when ready.

Alongside this letter I am sending out a sheet which will come home some weekends and during the holidays. This **is to enable you to have a voice inside your child's learning journey.** If there is something that they do over the week/weekend that you would like to record please write it on the sheet. As always, if you have any questions please do not hesitate to come and see me.

Many thanks,  
**Mrs O'Reilly**

You Can Help your Child By:

Practising writing their name with them using the cards sent home in their book bag.

Letting them dress themselves, practising this skill ready for PE lessons.

Reading books with them which they bring home.

You Can Help the School By:

Sending in a photo of your child as a baby.

Sending in PE kit by the end of the week

Twitter:

Please please add us on twitter to see what we get up to in school and for other ideas to help you **child's learning.**  
[@strettoneys](https://twitter.com/strettoneys)

**We also have our class "pet". Theo the bear goes home with a different child each weekend. He takes a diary with him.**

If you could document your time with him in the diary, e.g through writing/ photos/ pictures your child will be able to share what they did on the weekend with Theo when they come back to school.
