

STRETTON SUGWAS BEE

Newsletter – Friday 16th March 2018

Happy Birthday to
Annie H. & Emali V.

Dear Parents and Guardians

We have had a super week of science investigations and activities! Thank you to all the parents and grandparents who have come in and shared some of their experiments with the children. They have really enjoyed themselves and love seeing different faces coming into school. The children have also done particularly well with the science competition to make a boat with winning entries from Charlie from Bumble Bees, Max from Busy Bees, with Finley as runner up. Charlie from Honey Bees, with Taryn as runner up. Danika from Queen Bees, and Holly from Worker Bees.

As hopefully you all now know, we have been given the green light to go ahead with our pre-school building and will be opening in September. We are all very excited and can't wait to begin the children's journey at Stretton Sugwas Academy from 2 years old! We have started a list in the school office, so please let us know if you or anyone is wanting a place for September.

Kindest regards,
Alex Davies

Bees of The Week

Susie –
For always trying her best, always being beautifully behaved and for being a lovely member of the Honey Bees.

James –
For being enthusiastic about Science Week, putting your hand up and sharing your ideas.

Theo –
For giving 100% in all of his work and sport. A fantastic attitude and effort.

Olly –
For persevering in cross country this week and completing it with a smile!

Frankie –
For lovely fluent reading, especially the 'g' sound.

This half term's Christian Value is –Justice

Herefordshire WWI Schools Competition

Well done to the Phase 2 children who entered the recent World War I art & writing competition that was open to all Primary schools across Herefordshire to mark the 100th anniversary of the end of the First World War.

The judges were very impressed with the standard of the work entered, and we are delighted to announce that Alex Swift was chosen as the winner for KS2 for her fantastic piece of artwork. Congratulations Alex!

Mother's Day Cake Sale

Thank you to everyone that donated cakes or came along to support the FOSS coffee & cake sale last Friday. It was a very successful afternoon which raised £240 for FOSS funds!

FOSS would also like to say a very big thank you to one of our parents, Jane Wilson, who very kindly made and put together the little Mother's Day gift boxes that each child bought home with them last week. They were a lovely touch, I am sure you will agree. FOSS are looking forward to you all joining them for their next fundraising event which will be the Easter Bingo that takes place on **Wednesday 28th March**.
Doors open 5.30 pm, eyes down at 6.00 pm.

Cross Country Running

Phase 2 children have been enjoying some cross country running during PE sessions over the last couple of weeks. We would just like to say a very big thank you to another of our parents, Laura Wooles who has given up her time to plan the route, complete risk assessments and has gone out running with the children, giving them support and encouragement. Without Laura's help we wouldn't have been able to offer this opportunity for the children.

National Science Week

What a fantastic week of science we have had! The children have thoroughly enjoyed all of the investigations that they have carried out. Thank you to the parents and carers that came in to carry out experiments or demonstrations for the children.

Diary Dates

Mon 19th March
