Pirates Topic Web: Summer Term 1

Mrs O'Reilly : YR Bumble Bees

Dear parents/guardians,

We are now over halfway through our year and have now finished our Spring term. I hope you all have a lovely break over Easter, I myself will be quite busy as am getting married so will be back after Easter with a new name **(Mrs O'Reilly)**!

After Easter our topic will be Pirates! Our topic web will give you an idea of just some of the things we will be getting up to, hopefully we will finish our half term with a fun filled pirate day (more details to follow).

We will not be swimming next half term, but will resume after the May holidays. We are also please to announce that the PGCE student, Miss Cockburn, who was with us before Christmas will be joining us again at the end of **April for most of the summer term. I'm sure the children** will look forward to seeing her again and I know she is looking forward to seeing how much they have changed since she was last at Stretton Sugwas.

Finally, I'm sure you will get through lots of Easter eggs over the holidays. If you would like to send in any boxes or anything else for junk modelling we would really appreciate it.

Once again, thank you for all your support this term, have a lovely holidays and see you in two weeks.

Miss Rees
(To be Mrs O'Reilly!)

You Can Help your Child By:

Listening to your child read, encouraging them to sound out and blend.

Start looking at clocks with children, **particularly talking about o'clock!**

Encourage children to add together 2 groups of objects.

You Can Help the School By:

Sending PE kits back in ASAP

Signing your child's reading record whenever you read with them.

Term Dates:

For other dates and events during the term, please check the school website regularly:

www.strettonsugwas.com

Mac has had many more exciting visits this half term and looks forward to many more fun weekends next half term.
