All About Me Topic Web: Autumn Term

Miss Rees: YR Bumble Bees

Dear parents/guardians,

I hope you all had a lovely Christmas holidays. Welcome back to this new term, this term we will be learning about **'All Creatures Great and Small'**. I have included a topic web on the back of this letter showing you some of the things we might be doing as we move through the term. I **have also included a parent's page giving you some ideas** of things to do with animals that you could have a go at at home if you wish.

We will be having show and tell this term and your child will be given a letter with the date for their show and tell, if they could bring in something to do with our topic that would be great.

We will not be swimming this half term, that will resume after February half term. PE will still be mainly on a Tuesday so if you could send PE kits in ASAP that would be great.

Sadly Mrs Plumb is not with us this term as she is on maternity leave, however, I am excited to say that we welcome two new members to the Bumble Bees team. Mrs Moore will be with us everyday covering for Mrs Plumb and Mrs Griffiths will also be working with us in the mornings.

As always any questions/queries do not hesitate to come and see me.

Many thanks,
Miss Rees

You Can Help your Child By:

Listening to your child read, encouraging them to sound out and blend.

Looking at 2D shapes out and about and around the house.

Encourage children to count objects and think about 1 more than the total.

You Can Help the School By:

Sending PE kits in ASAP

Signing your child's reading record whenever you read with them.

Term Dates:

For other dates and events during the term, please check the school website regularly:

www.strettonsugwas.com

Once again thank you everyone who has **looked after Mac**. If he hasn't visited your house yet he will be coming one weekend soon!
