All About Me Topic Web: Autumn Term

Mrs O'Reilly: YR Bumble Bees

Cycle 1

Dear parents/carers,
Thank you for all your support during the first half term. The children have all settled very well and seem to be enjoying school.
On the other side of this letter is our topic web giving you an idea of some of the things we may be covering this term. This term we are hoping to get on a few Autumn walks to see the signs of the changing seasons. If you could make sure your child always comes to school with a coat that would be great. I will let you know nearer the time when we plan to do them as depending on the weather they may require wellies.
Finally, if you are out and about and find any signs of Autumn e.g. leaves, pine cones, conkers etc feel free to let the children bring them into school so we can build up a collection to investigate.
As always if you have any questions/queries feel free to come and see me.

Many thanks,
Mrs O'Reilly

You Can Help your Child By:

- Listening to your child read.
- Recognising shapes with them out and about
- Encouraging them to spot words and sounds in the environment

You Can Help the School By:

- Sending PE kits ready for the first Wednesday back.
- Making sure children are dressed appropriately for the weather.

Term Dates:

For other dates and events during the term, please check the school website regularly:

www.strettonsugwas.com

Thank you to everyone who has looked after Theo this half term. **His weekends have been full of excitement and I'm** sure he will have lots more adventures with the other children after half term.

Also please follow our twitter account @eyfsstretton to keep up to date with what we are doing in school each day.
