

STRETTON SUGWAS BEE

Newsletter – Friday 10th March 2017

Happy Birthday to
Kitty E.

Dear Parents and Guardians,

Thankfully the weather has been kind to us this afternoon so our postponed Great British Spring Clean has been able to take place after having to be cancelled last week.

As I write this I can see lots of parents who have kindly come in to help the children with the litter pick, all busily picking up litter from around the school grounds and they will also be picking up litter from the local surrounding area, doing our bit to keep our community looking tidy.

Thank you to all those who also came along last Friday to enjoy tea and cake after our last minute change of plans, this helped to raise £95 for FOSS funds.

Have a lovely weekend,

Alex Davies

Bees of The Week

Amelia –
For your enthusiasm
and hard work in
Maths this term! Keep
up the super attitude!

Eleanor –
For a super effort in all of her
work: both in and out of school.
A true worker!

Anna –
For always working
hard and being a
delight to have in the
Honey Bees.

Isabella –
For being a happy
bubbly member of our
class and doing a great
job with your tricky
words.

Ellie –
For trying hard in Maths
and working out the
number bonds to 20 on
her own.

This half term's Christian Value is –Forgiveness

Nature Workshops

This week and last week the Busy Bees and Honey Bees were very lucky to have been able to spend the morning with Helen, from The Countryside Restoration Trust.

The children took part in a nature workshop where they learned all about different types of trees and leaves, made a bug hotel and even learned about how to look after hedgehogs and leave food in hidden tunnels for them!

Mobile Phones

We would like to remind **All** parents of our policy regarding children bringing mobile phones to school. We strongly discourage them from being brought in at all, however we understand that there may be times when it could be necessary.

-An example of this may be when a child's parents have split up. A Year 6 child may need the phone to communicate with one parent when staying at the house of the other.

-It might be necessary for the child to bring the phone into school if one parent brought them to school and the other is picking them up.

In all instances any mobile phone being brought in to school **must be taken to the school office** at the beginning of the day where it will be held securely until the end of the school day or, if your child is attending a club or After School Club, they can collect it after this.

We would appreciate parent's full support with this policy to help enable us to keep all of your children safe whilst at school.

Diary Dates

Mon 13th March
Football Match at Burghill

Thurs 16th March
Honey Bees to Weir Gardens (AM only)

Tues 21st March

Fri 7th April
Last Day of term & end of term assembly

Mon 23rd April
Summer term begins

Just in case your children haven't mentioned to you yet, we do now have a limited supply of Comic Relief Red Noses for sale at school.

Our Worker Bee volunteers will be selling them during lunchtimes for £1 each if your children would like to purchase any.

Display boards

We would like to say a very big 'Thank you' to Nikki Mason who has very kindly given up her time today, and also Monday, to prepare some beautiful displays for the school that we will be able to use for displaying the children's art work and poetry.

Nikki used to work here as a teaching assistant and still comes back every now and then to create beautiful displays for us.

Below you can see the work in progress on one of the displays and then the finished work.
