

STRETTON SUGWAS BEE

Newsletter –Friday 11th May 2018

Happy Birthday to
W. Rhodes, S. Swift, N. Dale-Jones & M. Morgan

Dear Parents and Guardians

Another great week here at Stretton, with the children really truly starting to enjoy the summer weather! Phase 2 children had a fantastic time going to see Gangsta Granny this week, along with the Honey Bees visiting Aconbury Woods. It is that time of year where we start looking towards and preparing for next year, particularly with the class structure. We will be informing the current year 1 and 4 parents before half term.

It is with regret to be informing you that Mrs Dawnay will be leaving at the end of this academic year. She has been a ray of Eco sunshine since starting here four years ago! As lots of you know, she has been a fantastic, caring teacher in years 1 and 2 and has worked tirelessly on our schools Eco Award, receiving the Green Flag this year, and improving our conservation area for the children to enjoy. She will be sorely missed by the children and staff alike, and I am sure you will join me in wishing her the best of luck in her future adventures!

Best wishes,

Alex Davies

Eco Club

Eco Club is up and running again this term and already the children have been busy continuing the hard work that began last year to improve our conservation area.

This week they have made mini greenhouses from plastic bottles to grow runner beans, and also have made a fantastic log circle thanks to logs donated by Mr Davies.

Honey Bees Visit to Aconbury Woods

Honey Bees had a lovely visit to Aconbury Woods this week to learn how to recognise different trees by their leaves.
