**Happy Birthday to

Dear Parents and Guardians

What a great first week to the term we have had. The children have got back to work and are already enjoying their new topics. Even though it's the first week back we have been as busy as ever! Thank you to the parents who came to see the Phase 2 children's work this week at their craft sale. The Young Voices choirs had a fantastic time yesterday at the Genting Arena in Birmingham, where they were part of a choir of 6369 school children! A fantastic atmosphere and a great experience for them all. It is our second year taking part and I know the parents really enjoy the occasion. A huge thank you to Miss Turner, not only for organising the trip, but rehearsing with the children throughout the Autumn Term. We have also already had our first Netball and Rugby tournament of 2018 at Aylestone High School today...find out the results in next week's newsletter.

Have a great weekend,
Alex Davies

Young Voices 2018

For the second year running we had the pleasure of taking a choir of 30 children to The Genting Arena in Birmingham this week to take part in a Young Voices concert.

It was a fantastic atmosphere and the children all had an amazing time singing and dancing the night away!

Thank you to the choir for your energy and enthusiasm, and thank you to the parents that came along to watch the show. Check out our twitter feed to view some short video clips from the concert.

We're looking forward to next year already!

After School Clubs

Most after school clubs begin next week. Unfortunately **we are going to have to cancel both Monday Football Club and Thursday Rugby Club** for next week though. Unless you have been told otherwise your child has been given a place in the clubs that you have selected for them.

However, if you have requested a club which is not open to your child's Year Group then unfortunately they will not be able to take part. **Please Check, as some parents have done this.**

There have recently been several cases of head lice identified at the school and we wanted to make sure you were kept informed. It is important that children are checked on a weekly basis so that any head lice can be dealt with quickly and before they are allowed to spread too far.

As there has been an outbreak, we suggest that you check your child's head as soon as possible and treat any head lice that you might find.
