

# STRETTON SUGWAS BEE

Newsletter –Friday 13<sup>th</sup> July 2018

Happy Birthday to.....  
Joe T. Daniel T. Evie T. Riley B. & Olly W.

Dear Parents and Guardians

Another end to a fantastic busy week of cricket, Odeon film trip, Stretton's Got Talent Auditions and also the Phase 2 performances of Romeo and Juliet. There is still lots booked into the diary and we are all very much looking forward to seeing you next Friday for our end of term BBQ.

As hopefully you can see the preschool building has rocketed on, however they have been slightly held back with their finish date, but still in plenty of time for September. We will be holding a very informal open morning **next Friday at 11am**. If you have a child starting at the preschool, or know of anyone who would like their child to start, please meet us down at the building. With all the building work that has taken place, we realise that some of the grounds require some TLC. On **Friday 28<sup>th</sup> September**, we would like to hold a 'Grounds Day', with as many parent helpers getting involved as possible. The children would also be able to help with their parents. We would like to tackle the quiet area weeds and add some new plants; lots of raking and seeding across the field as well as some minor repairs. If you can help and can bring tools, we would be really grateful. We will put a list of the jobs up nearer the time to know how you can help. In the meantime, please put the date in your diary!

Thank you as always,  
Alex Davies

Thank you.

Tickets for food ordered will be issued next week.

## Phase 2 film Project – 'The Cup'

Some of our Phase 2 children were lucky enough to attend the premiere of their film 'The Cup' at the Odeon cinema this week, along with a number of other local schools that also took part in the project, to make a short film about an historical event in Herefordshire.

Our film can be viewed online by searching 'Vimeo' HLTAL School Films 2018, Stretton Sugwas.

Alternatively you can watch the film on our Twitter feed.

If you would like to watch it on a 'big screen' then we will be showing it in the school hall on various afternoons after school next week.

## Playdough Workshop

Children in Reception, Years 1 & 2 were lucky enough to enjoy a creation Station play dough workshop this week.

The children all had a lovely time creating their own colourful fantasy islands. Well done to Mrs O'Reilly, who won this activity for the school in a competition!

Don't forget that every child and adult attending will be required to have a ticket to show on arrival for health & safety reasons.
