

STRETTON SUGWAS BEE

Newsletter – Friday 14th February 2020

**Happy Birthday to
 Mia W. Kaja P. Ellie McK. Lottie H. & Alfie W.**

Dear parents and carers,

As you can see, we have had a great week with a Multi Skills trip out on Tuesday and the Eco committee tackling down in the conservation area. It has been a particularly damp and horrible half term, and some planned events have had to be postponed. Hopefully once Dennis has passed over, we should start experiencing some better weather so we can get out a little more. Looking at the school diary, it is already starting to fill up with lots of activities for the children to enjoy. This week we also looked at Internet Safety Day on Tuesday...If you have time over the holiday to talk through how to stay safe online with your children, hopefully they will have lots to share.

Have a lovely half term break,

Mr Alex Davies

Multi Skills Event

Some of our children had a great time at a multi-skills event held at The Hereford Leisure Centre earlier this week. There were lots of fun activities for them to take part in, great practice for this year's Sports Day!

Noah's Ark

Honey Bees class have been busy learning the story of Noah's Ark over the last few weeks and now have a lovely display in their classroom showing questions that they would ask Noah if they met him. The children were also asked how they would feel if God asked them to build an ark, there were lots of thoughts about this.

Eco – Committee

Stretton Sugwas Eco-Committee have been busy this week beginning the task of having a spring clean and sort out of the conservation area. There is lots of tidying up that needs doing down there. This year the committee are hoping to grow some of their own vegetables. If anyone has anything, seeds, bulbs, compost etc. that you would like to donate to help that would be much appreciated.
