Newsletter – Friday 14th June 2019

Happy Birthday to.....
Elissa G.

Dear parents and carers,

Who would of thought we are well into summer and the longest day is only a week around the corner!!! A horrible week of weather, which unfortunately postponed a cricket tournament on Tuesday. Let's hope the weather dries up a little so we can enjoy the school field a little more! The weather hasn't stopped everything for us, as we have still managed to take part in a maths competition and maths puzzle day, along with a dancing competition and a trip to the Weir gardens.

The diary continues to be jam-packed, giving some exciting opportunities for the children. Don't forget to come and join us for the Summer Fete next Friday...I know we are looking for volunteers to ensure we can make as much money for the children and school as possible. Please see the office if you are able to give up some of your time as many hands make light work.

Best wishes,

Mr Alex Davies
