Happy Birthday to.....
Elissa G. & Mr Davies!

Dear Parents and Guardians

As you can see we have had a busy week of sporting events with Kwik Cricket Tournament along with the Y5s off on their fishing trip. We have been blessed with some fantastic weather which we hope will continue into next week for our Sports Day on Tuesday. Hopefully you will have received the details via Parent Mail...don't forget the running trainers!

We had our whole school photograph taken on Wednesday where the children (on the whole) looked very smart. We did have to hide a number of colourful, non-uniform socks however! Please can you ensure that the boys wear black, dark grey or navy socks as bright colours stand out like sore thumbs. Also I realise that towards the end of the year replacing shoes seems annoying, however there are still 5 weeks and black trainers are not permitted uniform. For more detail please refer to the prospectus on the school website.

Have a lovely weekend,

Alex Davies

Fly Fishing

Year 5 children had a great day this week learning how to fly fish. They had professional instruction from a wonderful team of instructors from the Wye Salmon Association, and spent the morning practicing at school before heading off to the river at Whitney-on-Wye to try out the real thing. Thankfully the very windy morning turned into a beautifully calm and sunny afternoon, perfect for fishing.

Several fish were successfully caught during the afternoon, and then returned back to the river of course, a great time had by all.

School Uniform

There have been a few concerns regarding the uniform embroidery service at Tesco, where you can currently purchase our school uniform.

You may or may not know that Tesco have decided to close their Tesco Direct service from early July. We have been assured that this will not affect the embroidered uniform side of things.

The Tesco Direct website will be gone, but you will still be able to order uniform through the main Tesco grocery site, www.tesco.com

We have also received concerns from parents as many items appear to be out of stock when they have tried to place an order. We have spoken to the uniform embroidery service today and have been told that they have thousands of items of clothing being delivered to them over the next few days, so hopefully if you have tried to order something previously that wasn't available it should soon be back in stock in time for autumn term orders.

New-Bees Preschool At Stretton Sugwas C. of E. Academy

We are proud to reveal the name and new logo (designed by Mr Ford) for our preschool which will open on **Tuesday 4th September.**

If you or anyone that you know would like a place for your child the application forms and all information documents are now available if you pop into the school office for copies or we can email them to you.

SPORTS DAY

A reminder that sports Day will take place on **Tuesday 19th June.**

Children can come into school wearing their sports kit, the colour of whichever team they are in. Parents & carers are welcome to come and watch the activities and cheer on the children. The round robin activities are scheduled to begin

between 9.45 - 10 am.

Please do remember to put sun cream on your child before school and ensure they have a hat & water bottle.

Lost Property

We seem to have amassed an enormous amount of lost property over the course of the term.

The box has been overflowing! It has now been emptied and fills 3 bin liners. We will endeavour to sort this into organised piles of different items of clothing and put a table in the playground one afternoon next week so that parents can have a rummage to see if they can retrieve any items that may belong to their children.

At the end of the term any items that are left over will be donated to Rags2Riches, our charity clothing collectors.

As always, it makes life so much easier to reunite lost items of clothes with the right child if their name is written clearly on the label.
