

STRETTON SUGWAS BEE

Newsletter – Friday 15th November 2019

**Happy Birthday to
Rachel B.**

Dear parents and carers,

Thank you for co-operation & understanding yesterday, thoughts were for the safety and wellbeing of children and staff and thankfully all got home safe and well...eventually! We have just had a fantastic time with Joe Wicks (streamed from this morning) working out in preparation for stuffing the hordes of cakes into our mouths this afternoon. Thank you to those families who joined us for Remembrance last Sunday, it is always good to see the school supporting the wider community. Also the children finished off our remembrance monument/'log' on Monday, where every child got to hammer in their poppy and remember those who have risked their lives for us. It is now in the quiet area if you would like to see it.

Have a lovely...hopefully dry...weekend,

Mr Alex Davies

Children In Need

Thank you so much for all of your generous donations of cakes today, it is going to be a mammoth cake sale this afternoon!

The children have had fun today wearing their pyjamas and have been working up an appetite for the cakes later by taking part in the Children In Need 'Big Move' with Joe Wicks!

Bumble Bees Visit to Madley

The Bumble Bees had their first class trip of the year this week. They went to Madley Education Centre and had a lovely afternoon exploring the outdoors, going on a berry hunt, making a magic potion and some wonderful autumn leaf crowns.

Just One Tree Wear What You Like Day

Our school will be taking part in the **JUST ONE Tree** non-uniform day

NOVEMBER 22ND

Each child will be encouraged to bring in £1 to plant a tree, uniting children, parents, teachers and schools across the country.

JUST ONE Tree is a non-profit Community Interest Company removing CO2 from the atmosphere through global reforestation.

JUST £1 plants 1 Tree

On average a tree absorbs 48lbs of carbon dioxide from the atmosphere each year for every year of its life.

JUST ONE Tree supports reforestation projects in Madagascar, Haiti, Indonesia, Mozambique, Nepal and Kenya where the deforestation has been devastating.

And in the process provides training, education and sustainable incomes...

...alleviating extreme poverty within impacted communities.

Together let's plant a future for our children.
