

# STRETTON SUGWAS BEE

Newsletter – Friday 16th June 2017

Happy Birthday to  
Ellie J. & Mr. Davies!

Dear Parents and Guardians

With the warm weather upon us it has been a busy week for cricket and rounders tournaments. Our children represented our school impeccably and played all of their games really well. We are all looking forward to Sports day next week, we have some new sunshades being delivered on Monday that FOSS have very kindly purchased for the school. These will be fantastic for the children to offer some protection from the sun on sports day and also for sunny lunch times during the rest of the summer. On the subject of sun, can I just remind parents that at this time of year it is really important that your children have sun cream applied before school and bring some in to reapply to themselves at lunch time, also a sun hat and water bottle too. Girls may wear sandals to school with their summer dresses so long as they are worn with socks and are white or navy blue, and boys are welcome to wear school shorts.

Enjoy the sunshine this weekend.

Best wishes,

Alex Davies

## Coppers Competition

Well done, and thank you, to the Honey Bees, they collected an amazing amount of £56.06 in 1p and 2p. As their treat for being the winning class they enjoyed a fantastic trip to the Weir Gardens this week and had lots of fun playing on the natural play area.

A huge thank you also to everyone for raising an incredible £397.26 for Size of Herefordshire Rainforest Project last week in coppers and donations on 'Green Day'. This means that Stretton Sugwas have raised enough money to protect an area the size of 800 hectares in the Amazon Rainforest, Peru and support the Wampis and Awajun tribes against powerful people, big logging companies, oil corporations, gold mining and palm oil. We will let you know our equivalent area on the Size of Herefordshire map once our 80 squares have been filled in!
