

STRETTON SUGWAS BEE

Newsletter – Friday 16th September 2016

Happy Birthday to

Huey C. Joscelyn W. Archie C. William H. Mason M. & Jack C-H.

Dear Parents and Guardians,

We have had a great week, particularly enjoying the four seasons of weather! The children are well into the full swing of term and have completed some amazing work. The homework that has been coming in from Phase 2 has been particularly excellent, really displaying the children's enthusiasm for the World War II topic and their meticulous research skills!

Clubs are all starting next week so please make sure you have signed your children up! The Multi Skills club is very popular and is now full. There are however spaces on the Netball and Rugby clubs. Please read overleaf for more information.

Best wishes,

Alex Davies

Bees of The Week

Ellie –
For your positive and hardworking attitude in all that you do in the Queen Bees.

Aleiha –
For amazing work in Maths and English all week. You are getting better each day!

Finn –
For putting in 100% effort, being enthusiastic and producing some fantastic work!

Joe –
For having a fantastic week! Well done for trying extra hard and being very helpful.

Owen –
For fantastic sitting on the carpet and working really hard with your numbers this week!

This half term's Christian Value is –Generosity

After School Clubs

Clubs begin on Monday. Multi- Skills, cooking & Eco club are now **full**. If you have requested a club space for your child and have not heard anything then please assume that they have a space. Cooking club allocations will be given out on Monday, due to very high numbers of requests children will be allocated 3 sessions each throughout the term.

ParentMail

All parents, including new Reception parents, should now be up and running with their ParentMail accounts. If anyone is having any difficulty with their account please pop into the office or drop in an email and Miss Turner will try to assist you. Swimming lessons are now available again on there after some issues earlier this week.

Club Stretton – After School Club

For any children that attend our Club Stretton After School Club sessions Mrs Gardner has asked that we pass on the message to parents recommending that you send your child to after school club with some shoes/ trainers/ wellies that the children are able to change into to save their school shoes from getting scuffed whilst using the toys outdoors. These need to be easy for the children to change into independently as they will have to be responsible themselves for changing into them.

Children are also very welcome to bring clothes to change into as well to save their uniforms from getting too dirty.

Uniform

With the beginning of a new term lots of children are wearing lovely new items of uniform, can we just remind you to please ensure that every item is labelled clearly with your child's name. So much uniform gets left around the school and unless we can see a name on a label it is very difficult for us to reunite it with the right child.

Piano Lessons

Our piano teacher Mrs King currently has space for up to 6 new pupils this term.

If your child, from Year 1 upwards, would be interested in trying piano lessons this year then please let the office know.

Mrs King recommends 20 minute sessions to begin with, which cost £9.40 per session. Parents are invoiced directly by Mrs King on a half termly basis. If you would like further information from Mrs King you are welcome to contact her directly on Tel: 07795 516127

Settling in nicely

After our first full week of the term it has been lovely to see how all children, old and new, have settled so well back into the routines of the school and have already been producing some great work right across the school. Bumble Bees have been working hard on making their marks, whilst children in the rest of the school have enjoyed finding out more about Roald Dahl's books during Roald day. Phase 1 children are focusing on 'Going on a journey' for their topic this term whilst Phase 2 children are learning all about World War II and already we have some fantastic homework coming in, like these World War II trench cakes for example made by Aaron, Olly & their mum!

Diary Dates
