

# STRETTON SUGWAS BEE

Newsletter –Friday 20<sup>th</sup> April 2018

Happy Birthday to  
J. Williams

Dear Parents and Guardians

What stunning weather we have had coming back to school for our Summer Term! Who would want to be sweating away and enjoying the sun during the Easter Holidays anyway! Already we have made the most of the weather and have been out on a few trips this week to Rugby Festivals, some of the year 5's to St Pauls, the Weir Gardens and also out to Forest Schools.

Thank you for taking care around the building obstacles. The 'proper' building is due to take place from Monday onwards so please be aware of any additional traffic and equipment around the school site. Obviously it will remain safe for the children at all times within the school playground and field.

Make the most of the weekend, as the heat seems to be disappearing next week!

Alex Davies

## Bees of the week!

Thomas –  
For doing really well in  
his Maths assessment.

Daniel –  
For being a superstar Queen  
Bee who always works really  
hard and gives 100%.

Mason –  
For super effort in his  
writing including  
commas in his lists.

Katie –  
For having beautiful  
handwriting and  
spelling.

Beau –  
For showing an improved  
attitude and effort to all  
of his work. Keep it up.

This half term's Christian Value is – Service

### Honey Bees Visit to the Weir Gardens

Making the most of the sunny weather, the Honey Bees spent a morning this week at The Weir Gardens looking for signs of spring, getting inspiration for writing some spring poetry.

### Greyhound RFC Tournament

Our Rugby team yesterday took part in a Tag Rugby tournament hosted by The Greyhound RFC. They played really well against lots of other teams, including Trinity and Madley, and won a number of their matches.

### New Play Area

You may have noticed that over the Easter holidays our brand new play area, which was provided for us by FOSS, has had some finishing touches made to it in the form of some artificial grass. It looks fantastic, and the children are really enjoying being able to relax and play in there.

A big thank you to Mr Wooles for giving up his time to lay the grass for us!

### Stretton Sugwas Summer Holiday Club 2018

Mrs Gardner is going to be running a summer holiday club again this year during the first three weeks of the summer holidays.

You should have all received an email and booking form yesterday with details of the club. If you need a form printing out for you please come and ask at the office. If you have any questions about the club please come and ask Mrs Gardner.

### Summer Weather

We have had a beautiful and much needed, few days of sunshine this week. Whilst we are not expecting this to last for very long, can we just take the opportunity to remind parents that, when the weather does become sunny like this, it is important that all children have a named sun hat in school each day plus a water bottle. Also sun cream should be applied in the morning before school and a bottle sent in for the children to reapply to themselves at lunchtime.

### Inter-Schools Maths Competition

Some of our Year 5 children began the term by attending an inter-schools Maths Challenge morning hosted by St. Paul's school. They had a great morning solving lots of hands on Maths challenges around the school.

### Diary Dates

**Wed 25<sup>th</sup> April**

Rags2Riches Charity Bag Collection

**Tue 1<sup>st</sup> May**

Honey Bees Growing Local Garden Workshop at Tillington
