Dear parents and carers,

I can't believe I am writing the final Newsletter of the 2016-2017 academic year! This year seems to have been the quickest, since I started teaching. Once again we have had a fantastic year. The children have grown in maturity, socially and academically. I don't often talk about academic results in the newsletter, but this year the children have achieved exceptionally well from all key stages and you should all be very proud. It is that time of year where we sadly bid a farewell to the Year 6 children. They have been an absolute credit to the school, and again in my time teaching I have not seen such a kind and well natured group who have looked out for each other over their school career. All staff wish them the best of luck and know they all have the potential to achieve great things.

Enjoy the summer!  
Alex Davies

### School Uniform Reminder

We would just like to make a few reminders about uniform in preparation for the autumn term. The majority of our children do follow our uniform policy and look very smart when doing so.

We do understand there may be times when shoes get broken or outgrown and there may be a few days where children need to wear trainers to give parents time to buy new ones. We must remind you though that our uniform is black shoes and not black trainers. During the winter months it is acceptable for girls to wear boots. Again these must be black and plain and not have a heel.

The girls also know what hair clips, bands and bobbles are acceptable, school colours only, plain and discreet. Not the big colourful bows and ribbons that have been evident this term.

We do not have any planned changes to our uniform this year, but remember that all school logo embroidered uniform can now be purchased through the Tesco Direct website. More information about our uniform can be found in the School's Prospectus on page 17.

We would appreciate your support in this matter.

### Thank you!

We would like to say a massive thank you to two of our fantastic dads, Mr Waite and Mr Thomas. They very kindly gave up two of their evenings this week to build the Bumble Bees brand new playhouse. I think you will all agree that it looks wonderful. Mrs O'Reilly will enjoy painting this over the summer ready for our new Bumble Bees to enjoy in September!

### Stretton's Got Talent

We had a lovely treat on Tuesday with the final of Stretton's Got Talent, lots of talented children (And some staff too!) entertained us all.
