

# STRETTON SUGWAS BEE

Newsletter – Friday 20<sup>th</sup> September 2019

Happy Birthday to  
Archie C. Mason M. & Finley M.

Dear Parents and Carers,

We have had some fantastic weather this week, which the Year 6 children have particularly enjoyed whilst out on their residential to Woodlands. The children have had a great time conquering fears and making memories...none of this would be achieved without the hard working staff giving up their time during the week to support them day and night...so a big thank you to all involved.

Hopefully we are now all settled back into school routines. Please can I politely remind about 'Nutella' in sandwiches and trying to achieve our nut free school...there are other chocolate spreads available without a nut content. Also drinks bottles to be taken into class need to only be filled with water; squash can be drunk from a separate bottle at break times. As always whole fruit snacks are only allowed during morning break and please can girls only wear school colour hair bands and bobbles (no cat ears or unicorn horns!), thank you.

Best wishes,  
Alex Davies

## Bees of The Week

Joscelyn –  
For always being super organised and producing work to be proud of.

Dottie –  
For excellent sounding out to write words.

Annie –  
For super listening, excellent work and amazing folk-dancing skills!

Imogen –  
Excellent English work, I loved your story!

Cara – Diane  
For settling in wonderfully to the Busy Bees and working really hard.

This half term's Christian Value is –Thankfulness

## Woodlands Residential Trip

Year 6 have had a fantastic week spent at Woodlands Outdoor Education Centre in Glasbury. They have taken part in lots of outdoor activities and team building exercises. They have canoed on the river wye, been caving, had a night walk, and yesterday they hiked to the top of Fan Frynch in the Brecon Beacons National Park. Thank you to all of the staff that have helped to make this an unforgettable experience for the children.

## Noah's Ark

Honey Bees Class have been busy learning the Bible story of Noah's Ark this week. They have done some deep thinking and have come up with some interesting questions. They are also preparing an ark to display in the classroom, which they will be filling with animals over the coming weeks.

## After School Clubs

All after school clubs begin next week. You should have now received an email to let you know if your child has a place for the requested clubs. Some clubs have been so popular that we have had to split across different groups.

## Data Collection and Consent Forms

Thank you for the swift return of so many data collection forms this week, if you have still not completed a form for your child please can you do so as soon as possible and return them to the office? Also, there are a number of consent forms outstanding, if you could please check the online forms sent to you on ParentMail and complete any that you have not done we would be very grateful.

## Diary Dates

**Mon 30<sup>th</sup> September - Fri 11<sup>th</sup> October**  
Worker Bees Intensive Swimming Sessions
