Newsletter – Friday 21st October 2016

Happy Birthday to

Evie McD. Sonia K. George W. Olly W. Joshua P. Kristina O'B. Thomas D. & Rylan R.P.

Dear Parents and Guardians,

What a fun week the children and staff have had. Both the Busy and Honey Bees ventured out on their trips to Tillington Farm, the Worker Bees were busy in Sainsbury's on their Maths and all of Phase 2 had a great Oktoberfest! We also had a very successful open morning yesterday for next year's Reception intake. Lots of positive comments and the children and staff showed off the school and how hard working everyone is in it. Thank you to the parents who helped with the tea and coffee making also. I am sure I will see lots of you here for the cake sale this afternoon. Come and relax!

Enjoy the half term,

Alex Davies

Bees of The Week

Harvest Cookery Workshop

Busy Bees and Honey Bees classes both visited Tillington Court Farm this week to take part in a Harvest Cookery Workshop with the Growing Local team.

The children had a fantastic time picking vegetables from the garden and then cooking the ingredients up to make delicious vegetable curry.

Oktoberfest

As part of their WW2 topic lessons, Phase 2 children have been learning about modern-day German culture. They have been learning traditional German dances associated with Oktoberfest celebrations and on Tuesday afternoon they had lots of fun celebrating with their own Oktoberfest. There was lots of traditional German food to try, including Black Forest Gateaux, pretzels and sauerkraut and a dance performance for the parents.

Baby Ford

We would like to wish Mr & Mrs Ford the very best of luck as their new arrival is due any time now. Mr Ford is well prepared with his basket of baby goodies that we sent him off with today. Lots of essentials for the baby plus some chocolate to keep Mr Ford going during those long hours at the hospital!

Stand Up To Cancer

Thank you for the donations today in support of the charity, Stand Up To Cancer. We have raised £ 114.

Sainsbury's Visit

Worker Bees spent the morning at Sainsbury's on Tuesday working out Maths Problems using real life items around the store. A great interactive learning experience for them all.

Head Lice

There have recently been several cases of head lice identified at the school and we wanted to make sure you were kept informed.

It is important that children are checked on a weekly basis so that any head lice can be dealt with quickly and before they are allowed to spread too far.

As there has been an outbreak, we suggest that you check your child's head as soon as possible and treat any head lice that you might find.

Many Thanks
