

STRETTON SUGWAS BEE

Newsletter – Friday 21st September 2018

**Happy Birthday to
Jack C-H.**

Dear Parents and Guardians,

I have had a fantastic week, particularly as I have been able to spend the last 3 days with the Year 6 children at Woodlands Outdoor Education Center. The children have had a fabulous week. Their behaviour has been exceptionally good; they have overcome many, many fears and have made some amazing memories with their friends. Hopefully lots of you have seen how the week has unfolded on our Twitter account. Well done to all the children and a big thank you to Mrs Steer and Mr Ford for giving up a lot of their time to allow this trip and wonderful experience to happen.

Another reminder regarding our Grounds Day next Friday. We are hoping to get a lot of raking and seeding done across the school, sort and cut out a lot in our Quiet Area Garden and have a general tidy up, particularly in the new car park. It doesn't sound much, however will take an awful amount of work if we don't have many helpers. If you can give the day, morning or an hour, we would be really grateful. We will be sending out a Parent Mail to sign up so we have an idea of numbers. This will come to you on Monday so please have a think over the weekend to see if you can help.

Have a lovely weekend

Alex Davies

Woodlands Residential Trip

Year 6 have this week braved the elements on their residential week away at Woodlands Activity Centre. Despite the weather they have had an amazing week of team building activities including puzzle solving, canoeing, caving and a hike to a fantastic waterfall. They will all sleep well this weekend, as will Mrs Steer, Mr Ford and Mr Davies who accompanied the children

this week.

Please park considerately when dropping off or picking up your children. Last week a service bus needed to reverse back down the road to the roundabout due to the number of our parents double parked along Morningside at the front of the school. This could easily have caused an accident.
