

STRETTON SUGWAS BEE

Newsletter –Friday 22nd June 2018

Happy Birthday to.....
Ellie J.

Dear Parents and Guardians

Thank you to everyone who came to enjoy our Sports Day on Tuesday. A little bit of confusion at the start, however the children soon got into the full swing of the activities and really enjoyed their races. The amount of sport trips through the week was fantastic, as the girls played a Kwik Cricket Tournament, plus we also attended a Multi Skills Festival and a Rounders Tournament. All the children involved have been excellent ambassadors for Stretton and have represented the school very well. A big thank you to Mrs Steer for all her hard work, organising all of the sporting events and competitions...as you can imagine, not easy, particularly with the amount we do!

Unfortunately not all sporting activities go so well and we have decided to give Football at lunch times and play times a break for the whole of next week, due to the large amounts of disputes and negativity involved around it. I am sure you will support me in this decision, as the attitude some of the children are displaying, has become rude and unacceptable.

I look forward to seeing as many of you as possible tomorrow at our school fete!

Sports Day

Thank you to all parents and families that came along to support our sports day this week, plus the Sports Leaders from Whitecross who helped with the running of some of the activities. Also a big thank you to Mrs Steer who organised and coordinated the whole event. It is always a great morning that all of our children can get involved in and to have parents and carers there to cheer everyone on is lovey.

Marching for Mollie

Staff at Credenhill Court Rest Home & their families are doing a sponsored walk 'Marching for Mollie' and everyone is welcome to join us afterwards at **Credenhill Court on Sunday 1st July at 2pm.**

For a fun, family afternoon, including face painting, meet the animals from Bunnies, Bugs & Beasties, numerous stalls, food and drink for all the family plus **LOTS** more.

All proceeds will go to Mollie and her family.

Mollie age 5 from Hereford was diagnosed with acute Lymphoblastic Leukaemia. After nearly 2 years of intense treatment Mollie's family received the devastating news that Mollie had relapsed and would now face another long road of gruelling treatment and also required a bone marrow transplant.
