

STRETTON SUGWAS BEE

Newsletter – Friday 24th January 2020

**Happy Birthday to
 Nathaniel P. Emelia A. & Bethan W.**

Dear parents and carers,

In assembly this week we were blessed with some amazing work that the children have completed, either at home or during school. The highlight for me was the amount of fantastic writing that takes place in all the classes. We got to hear stories and letters beautifully read out by the children. Not only was the quality exceptional, but the neatness and quantity the children produce really is brilliant. A huge well done to all (including the staff) for all the hard work.

As always at this time of year, the school grounds can look quite tired. For this reason we are keeping the children off the gym equipment on the grass, so we don't ruin it completely for the summer. Please can you help us and ensure that this happens at the end of the day also. Please also a gentle reminder that a prompt exit does help with the safety for after school clubs and Club Stretton.

Many thanks
 Mr Alex Davies

Bees of The Week

Emali –
 For fantastic story writing in English and for being a lovely, caring Honey Bee.

Oliver –
 For trying really hard this week to listen on the carpet and put his hand up.

Lochy –
 For such an amazing improvement in English and Maths as well as being such a lovely polite pupil!

Frankie –
 For such a great effort in your writing this week.

Joe –
 For super effort and concentration in all lessons this week.

Bumble Bees

Bumble Bees class have been busy so far this term learning about helping others. As part of their topic they have been finding out about the different types of people that help others.

They have been lucky enough to have a visit from a G.P., Dr Jones, who told the children all about being a doctor and they all had a chance to try out some of her medical equipment.

This week The Police came to visit the class, the children learned all about being a Police Officer, tried on some uniform, explored the police van and even arrested Mrs O'Reilly!

Reflection

We had a visitor from the Diocese last week who praised the school for the different ways that we offer the children opportunities to pause and reflect. Worker Bees class have this week been reflecting on how to bring light to the lives of others. They each created a prayer, which they then wrote onto a flame for this classroom display.
