

STRETTON SUGWAS BEE

Newsletter –Friday 25th May 2018

Happy Birthday to
Matheus D. Sam M. William R. Kiarra J-D. & Harry P.

Dear Parents and Guardians

The last couple of days have given us a rather damp end to this half term, however the weather didn't dampen the spirits of the children on the trip to Hay Festival yesterday. I was lucky enough to go along with them and as always it was a fantastic day out and a great opportunity for the children to meet some interesting authors and illustrators from the world of literacy.

Next half term is going to be a busy one with sports day, transition afternoons, the school summer fete and an array of other sporting activities so it is bound to fly by. Thank you for the positive comments regarding Executive Headship at Burghill. We did host an open evening last night for those with questions and will also have one on Tuesday 5th June at 9am. If you have any questions regarding this, please come along. It is an exciting time for me...but also an exciting future for the school, staff and children.

Enjoy your half term break, let's all hope that the sun comes back.
I look forward to welcoming the children back on Monday 4th June.

Best Wishes
Alex Davies

Bees of the week!

Joe –
For working so hard on his reading and making excellent progress.

Kristina –
For working very hard to produce a super story, and always trying her best.

Bethan –
For being a superstar Queen Bee who always tries their best.

Frankie –
For making fantastic progress in reading and writing, and for working super hard.

Rylan –
For recently powering through Maths – spotting patterns and applying your knowledge.

This half term's Christian Value is – Service

Hay Festival

The children in Phase 2 had a great day out at the Hay Festival this week. They enjoyed listening to the very lively poet, Joe Coelho, who inspired them with his enthusiasm and passion for poetry. They also saw Tony DeSaulles, famous for his illustrations of the Horrible Science books and author David Solomans who invited one of our pupils, Ryan, onto the stage with him to read part of a script.

Swimming

Just a reminder that swimming sessions for Years 1, 3 & 5 have now ended for this year. After half term it is the turn of children in years 2, 4 & 6 to swim on a Friday. The first session will take place on Friday 8th June and then each week until Friday 13th July.

If you have still not paid for your child's swimming sessions this year please do so as soon as possible.

Thank you.

Pre-School Play equipment plea

If anyone has any good quality toys or play equipment for pre-school age children, such as ride on cars or small slides, wooden puzzles or duplo bricks which you no longer have a use for then we would be very grateful for any donations.

Forest School

Year 1 children enjoyed a fantastic sunny last session of Forest School this week making s'mores with Mrs Gardner, with help from Mrs Sharman & Mrs Hale.

After half term it will be the turn of Reception class to have fun in Forest Schools each Wednesday afternoon.

Site Inspection from the Bumble Bees

Bumble Bees class had fun checking out the new building work for our 'Newbees' pre-school this week. It is beginning to take shape nicely!

Diary Dates

Mon 28th May – Fri 1st June
