

STRETTON SUGWAS BEE

Newsletter – Friday 27th January 2017

**Happy Birthday to
Bethan W. Kira M. & Ruby W.**

Dear Parents and Guardians,

The term seems to be progressing at a rate of knots as we are only 2 weeks away from half term. I am sure many of you will agree that it will be nice to get January out of the way! The football and netball team played extremely well against Credenhill this week with the football team resulting in a draw (1 all) and the netball team coming second! The choir, which are heading off to Birmingham for the Young Voices concert on Tuesday, are getting really excited and have worked super hard. We will endeavour to take lots of pics and Tweet some of the singing taking place. Good luck to all!

Have a great weekend.

Willow Maze

The Eco Council braved the cold and were very busy on Tuesday helping Sam Goddard & Kevin Jones, from Rooted Structures, with building the school a willow maze.

It is still under construction at the moment, but we are hoping that it will be completed soon so that the children will be able to start using it at playtimes.

Book Fair

The Book Fair arrived yesterday and the children have all been very excited to see some of the books that we might be able to have for our school library and have each made a wish list of those that they would like; with your support to help us to earn them.

The fair will be open today after school, then again on Tuesday and Wednesday next week after school.

Chinese New Year

Bumble Bees have enjoyed celebrating Chinese New Year this week. They sampled spring rolls, rice and prawn crackers and had a go at using chop sticks too. They even made up their own Chinese dragon dance during their P.E. lesson. !

Drop off & Pick Up

Please can we ask that parents do not block the car park in the mornings and afternoons when dropping off and picking up children? If you need to stop your car please park appropriately in the playground or along the road rather than pulling your car up to the gate. Also, another reminder to please not park in the bus stop area.

Clothing

We would like to please ask that you ensure that all items of your children's school uniform, is clearly labelled with their name. This also includes coats, gloves, scarves and sports kit too. We understand how frustrating it is as a parent when your child loses clothing. We are often asked by parents if we could try to find items that have been lost, however this does prove tricky when a lot of the items that are left lying around the school by the children do not have names in them. It is also a good idea to try to instill into your children a sense of responsibility for their clothing from an early age, whilst we are happy to help anyone to look for anything that has been lost it is often a little frustrating when a child says that something has been lost and when we look it is just in the cloakroom where they left it!

Also, if your child does happen to come home with items not belonging to them if you could bring them back into school as soon as possible please that would be much appreciated.
