

# STRETTON SUGWAS BEE

Newsletter – Friday 28<sup>th</sup> April 2017

**Happy Birthday to  
Jack S. Jacob H. & Daisie J.**

Dear Parents and Guardians,

As always we have come back to the start of the term and the holidays seem to be in the far too distant past! However there is already much planned for the summer term and the diary is looking jam packed. We will endeavour to put as much on the school website calendar for advance notice, but also please keep a check on the newsletters for any changes. This is always one of the busiest terms, particularly with the many assessments which are taking place this half term. We have lots of FOSS events planned including film night, family quiz night, Summer Fete...more information will follow. Thank you for being sensible with the new parking arrangements. I am sure you will all agree it is much smoother, easier and safer for all! The last thing you want is a stomping Miss Turner coming towards you to move you on! Please stick to what we have said regarding the parking, along with driving at appropriate speeds in and around the school.

**There may be more space, but this does not mean that it's safe to increase your speed.**

Have a lovely weekend,

Alex Davies

Kieron –

## Club Stretton

Can we please now ask all users of Club Stretton to contact the Club Stretton mobile phone number to make all bookings for breakfast or after school clubs from now on?

You can send a text message to the number at any time or call and leave a voice mail message to let Mrs Gardner or Mrs Yarnold know of your booking needs, rather than filling in a booking form or phoning the school office number. Also, if there are any problems, if you are running late to pick your child up from after school club for example, it is best to call this number rather than the office as there is not always anyone in the office past 4.00 pm. The number to text or leave a voicemail message is

**Tel: 0737 6777825.**

## Bumble Bees

Children in Bumble Bees class are already enjoying their new topic this term, which is Animals. Thank you to Henry's mum who has let us borrow some items from the vets where she works. The children had lots of fun this week trying to guess what animal the skeleton was (it was a cat) and Jack was so enthusiastic about the topic that he made an animal book during the holidays!
