

STRETTON SUGWAS BEE

Newsletter – Friday 28th June 2019

Happy Birthday to.....

Anna H. Summer H & Thomas J.

Dear parents and carers,

After a complete washout this Tuesday, forcing us to reschedule our sports day, we are hopeful that next Tuesday 2nd July will be a dry and sunny day for us, second time lucky! We hope to see lots of you there for the event with the round robin activities starting at 10 am. Don't forget sun hats and sun cream.

We were very lucky with the weather for the FOSS summer fete last Friday, what a great afternoon we had, thank you to everyone that came along to support the event. A very big thank you must also go to all of the FOSS volunteers that were involved with the planning, organising and running of the fete. The event would not have been possible without all of your help, which was greatly appreciated. Over the page you will see the fantastic amount raised on the day.

Have a great weekend and enjoy the sunshine.

Mr Alex Davies

Bees of The Week

Joe –
For being a great worker
this week.
Keep up the fantastic
effort!

Owen –
For designing an
amazing Zoo.

Amelia –
For having an outstanding
attitude!

Emie –
For being an all-round
wonderful Busy Bee who
always tries her best and
is friendly and polite.

Harley –
For being super
enthusiastic at Forest
School.

This half term's Christian Value is –Courage

Noah's Ark Zoo & Farm Visit

Busy Bees and Honey Bees had a wonderful trip this week to Noah's Ark Zoo Farm Park in Bristol to see many interesting animals to support their current topic, Carnival of Animals.

Great fun was had by all, the children took part in a fascinating animal workshop and met all kinds of different animals and creatures, including Colin the giant Cockroach!!

Sun Cream, Hats & Water Bottles

Please ensure that your children have a sun hat and water bottle in school each day, especially over the next few weeks. It is also very important that children have their own bottle of sun cream in school that they can apply themselves at lunchtime. They should not be sharing sun cream with other children in their class, as it has been found some children have been doing, this could potentially lead to cross infection if any children have skin conditions.

Forest School

It has been the turn of the Bumble Bees class to enjoy some Forest School sessions over the past few weeks. They had great fun this week exploring the site and building bug hotels.

FOSS Summer Fete

Thank you to all who came along to support the Summer Fete last Friday, and thank you to everyone that kindly donated prizes for the raffle.

The grand total raised from the event is a fantastic £1149.72!

Sex & Relationship Curriculum Information Session

Please do come along to our parents' information session on **Monday 1st July** at 3.30 pm regarding the new Sex & Relationships curriculum. You will be able to find out more information about what is included in the new curriculum and have any of your questions answered.
