Dear Parents and Guardians

We have had an eggciting end to our Spring Term with lots of fun had at our annual egg rolling competition this morning!

The entries for this year's decorating competition continue to amaze! The standard is very high and I know the judges had a hard time deciding on the winners.

Over the Easter holiday, works will begin on the new Pre-School. At this stage it is simply getting the services across from the school to the new site. There will be sections of the staff carpark that will have been dug up and covered over with temporary panels. Please do take care in these areas when we return back. At times the 'New' car park will also be reduced in size to allow room for the builders to work. Please continue to be sensible and fill up all available spaces and again, take care.

I wish all of our children and families a very Happy Easter.

Alex Davies
