Newsletter –Friday 29th June 2018

Happy Birthday to.....

Anna. H. Summer. H. Thomas. J. & Marley. S.

Dear Parents and Guardians

What a fantastic amount of continued sunshine and warm weather we have had. The children have really been enjoying the outdoors and making the most of it. Today has been great with a British Cycling Association coach coming into school to work with some of the children in the juniors. He has been so impressed, not only with their 'skills' but also their impeccable behaviour and manners. Well done to all who have taken part. The Year 6 children have also had a lovely time on Wednesday this week as they celebrated a Leavers Service at the Cathedral, with members from across the Diocese running the activities and worship.

Some of you who may read the Hereford Times Online, may see an article regarding our Pres+school. We are really pleased to see this developing and taking shape into the fantastic Early Years space it will be. Please if you know of any friends who aren't part of the school community and wish to be part of the New-Bees, encourage them to get in touch with the school or look on the school website.

Keep enjoying the sun!  
 Alex Davies

# SUMMER FETE!!!

Thank you so much to everyone who came along to our summer fete last weekend.

The event was a real success and this is down to the hard work of our FOSS organising team, helpers and volunteers who helped on the day, those of you that donated the fantastic raffle prizes, and a special mention to Mrs Teague who very generously donated the Heggies meat for the BBQ.

A massive thank you to each and every one of you. The final total for the amount raised by the fete is **£1,500**. A wonderful total and no doubt the FOSS team will have some ideas up their sleeves for how this money can be spent to continue making a positive impact on the school.

An example of how FOSS have recently spent funds to support the school are the sides to the event shelters which has meant that during this sunny weather the children have been able to continue to enjoy the outdoors with some added shade to keep them safe. Thank you FOSS for your continued support.

## Tempest Photographs

Children should, today, have come home with photograph order forms for the whole school and class photographs, also Year 6 have their leavers' photographs. Orders must be in by next **Wednesday 4<sup>th</sup> July** to have a chance of having the photographs delivered before the end of term.

## Busy Bees outside area

Busy Bees class are loving their revamped outside area thanks to the kind donation made by Summer from Busy Bees Class. They now have some lovely vegetables growing and some very colourful windmills and sun catchers that really brighten up the area.
