**Happy Birthday to
 Harvey D. Neive I. & Charlie W.**

Dear Parents and Guardians

What a fantastically busy week we have had this week! I was fortunate enough to spend the first part of the week with the Year 6 children who have been on their residential trip to Woodlands. I always enjoy these trips as we can often see a different side to the children than when they are in school working on their Maths and English. It was obvious to see that we have a group of natural leaders, who work exceptionally well as a team. It is also fantastic to see so many children tackle and overcome so many fears, whether it being enclosed spaces whilst caving or heights when climbing and abseiling. I know I am proud of each and every one of them and I am sure their parents and themselves are also proud of the achievements they have made this week! There are some pictures overleaf, along with our Twitter feed where there are also some videos of the children completing the activities.

Have a great weekend.

Woodlands

This week our Year 6 pupils have been away from school on a residential trip to Woodlands Outdoor Activity Centre in Glasbury. They have enjoyed a week of team building activities, including a high ropes course, orienteering, kayaking, caving and a mountain walk up in the Brecon Beacons.

They have all worked so well together during their daytime activities and enjoyed relaxing and chilling out together in the evenings.

They will all sleep well this weekend, no doubt!

Multi Faith Day

Year 5 pupils had an interesting day spent at Whitecross School on Wednesday for a Multi Faith day. They spent time learning about the Jewish, Sikh, Hindu & Muslim religions.

Eco Club

Mrs Dawney and her Eco Club have been busy this week in our conservation area, they have been planting shrubs ready for the spring and have also been collecting apples and pears from the lovely trees that grow there too. Thanks must go to Emily's Grandad, who comes along to help Eco Club each week.
