Newsletter –Friday 4th May 2018

Happy Birthday to
J. Pitcher & B. Robinson

Dear Parents and Guardians

It has been yet another busy week at school with lots of children out and about in the sunshine, even though there was some rain that meant having to postpone one of the trips this week.

Thank you to Dylan Wooles of Focus Flooring Ltd. who has really helped to make our quiet area look great over the past few months. He has now felted the roof on the new wooden play shelter that he built for the children.

Hopefully over the next couple of months we will be looking at getting a working party organised to replant a lot of the plants in the quiet area so we can have the whole area looking really fantastic for September.

I hope you all enjoy a relaxing Bank holiday weekend in the sun.

Best wishes,

Alex Davies

Bees of the week!

Alistair –
For trying hard with the checking of his work and for getting a main part in the play.

Evie –
For always being such a hardworking Queen Bee!
Keep it up you superstar.

Matheus –
For fantastic Maths work, you are brilliant at thinking through problems.

Dakota –
For working really hard to write his name neatly and keep on the lines.

Summer – For being an imaginative, creative Busy Bee and being a fantastic and fun friend!

This half term's Christian Value is – Service

Water bottles

Please can you make sure that your child has a water bottle in school each day to enable them to remain hydrated throughout the day. It is important to remember that they must only have water in these, no fruit juice or squash. Squash or juice in a lunch box at lunchtime is acceptable, but water must be provided for the rest of the day.

African Garden Workshop

Honey Bees & half of Busy Bees class visited Tillington Court Farm this week to take part in an African Garden Workshop. Sadly the other half of Busy Bees had their trip postponed due to the weather (it will be rearranged)

The children that attended had a lovely time helping to sow seeds in the African garden, they made a bag garden, tried some African porridge and learned about the sort of jobs that African village children

have to help with.

Parking

As you will have noticed the building work for the new preschool has now begun. This is exciting news for us, however we do realise that for a short while it may cause some difficulties with the parking situation at drop off and pick up times as half of the new car park has been fenced off. To make things easier

- If having to double park in the playground please drop off or collect your child as promptly as possible and then move along to prevent too much clogging up in this area.
- If dropping off your child at breakfast club please park your car alongside the island or fence rather than using a staff car parking space as this will help our staff to leave more room for parents to park in the new car park.

If we all work together we can help to keep things running smoothly for everyone at these times.

FOSS Forthcoming Events

Friday 11th May – Coffee & Cake sale from 2.30 pm. Any donations of cake to sell will be gratefully received.

We will also be taking orders for school tea towels, with drawings of the children on them, during the cake sale.

ICE CREAM FRIDAYS! – The after school sales are back by popular demand and will start again each Friday after the half term holiday (weather permitting).

Summer Fete – Saturday 23rd June 12 – 3 pm

Lots of helpers will be needed for this event to be a success, if you would like to volunteer to help out please do let us know.

We plan to have a plant stall this year at the fete, so if you could grow extra plants & veggies in your gardens to donate to FOSS that would be fantastic.

There will also be two Wear What you like days in the lead up to the summer fete, one for donations of sweets (**Friday 8th June**) & the other for bottle donations (**Friday 22nd June**) to be used at the fete.

Thank you!

A great big thank you to Mrs Teague, one of our Busy Bees parents who has generously donated a £100 WH Smiths voucher, which she won, to the class to be spent on new books and equipment for the class.
