

STRETTON SUGWAS BEE

Newsletter – Friday 6th March 2020

Happy Birthday to
 Kitty E.

Dear parents and carers,

It has been a packed week of activities this week with two classes enjoying trips out to Eastnor castle and the Eco – Committee visiting Enviro Source in Worcester to learn all about the process of recycling waste. I was lucky enough to join the children on this trip and it was fascinating.

We have also held a fundraising cake sale, which was very well supported, thank you to Miss Gwynne for organising this. World Book Day was great fun, as always, I have really enjoyed seeing all of the vegetable character entries, we have some very talented children and imaginative children in this school!

With Sport Relief taking place next Friday, I had better start brushing up on my tennis skills over the weekend ready for my match with Evie next Friday. Don't forget to come and buy your raffle tickets from the office over the next week and predict the match winner!

Have a Great Weekend. Mr Alex Davies

World Book Day

We celebrated another wonderful World Book Day yesterday; we saw lots of fantastic book character costumes and were wowed by some of the amazing vegetable book characters that were bought in by the children. It was a lovely day of sharing books, puppet shows, bookmark making and storytelling.

Vegetable Book Character Competition Winners

Congratulations to everyone that made vegetable book characters for the competition yesterday. They were all amazing & it was very difficult to choose the winners. Pictured below are the winners from each class.

A Very Big Thank you

We would like to say a huge thank you to everyone that donated cakes and to all of the children that purchased them on Wednesday for our fundraising cake sale. We raised lots funds for CLEANUP10 and those people that have suffered losses due to the recent flooding. Mrs Gardner in particular would also like to give heartfelt thanks for all of the help, support and well wishes that she has received over the last couple of weeks.

Eastnor Castle Visits

Both the Busy Bees and Honey Bees classes have been to visit Eastnor Castle this week as part of their topic work. They all had a guided tour around the castle where they learned a lot about the history of it and saw some very interesting artefacts. The children also enjoyed losing one another around the castle maze, and of course, the park was a big hit!

Mental Health & Well-Being Policy

The school council led a discussion in Worker Bees about their new mental health & well-being policy this week. Each class are going to have an opportunity to do the same so that every child has a chance to participate.
