

STRETTON SUGWAS BEE

Newsletter – Friday 7th April 2017

**Happy Birthday to
 Joshua S. Grzegorz C. Isla W. Danika M. & James W.**

Dear Parents and Guardians,

It has been a lovely end to our spring term today, the whole school had lots of eggciting fun with our egg rolling competition this morning! If your child tells you that I cheated with my egg don't believe them!

I have been very impressed once again by all of the entries in the egg decorating competition, our children all have fantastic and creative imaginations.

Just to let you all know that over the holidays the work on the new car park is due to be completed. When you come back on **24th April** you will no longer be able to enter the current parking area/playground through the top gate, it will have been closed off, you will need to go on to the next entrance which will be the new carpark.

I wish all of our children and families a very Happy Easter. Enjoy a restful holiday.

Alex Davies

Egg Decoration Competition

We don't know how the children manage it, but each year the standard of the entries for our annual egg decorating competition seem to get better and better.

Thank you to all of the children that took part this year, we can really see that hours of effort and hard work went into each and every entry. As always it was a tough job for our judges. Congratulations to each of our winners.

Eco Committee & Eco Club Request

A 'green' shout out from Eco Committee and Eco Club:

Please can we request any donations of wild flower seed packets that can be sown in April and May.

Thank you – soon our school grounds will attract more bees and butterflies and it will look a dazzle of colour!

Please give your seed packets next term to the office.

Year 6 pupils

Year 6 pupils have been sent home with some revision materials to use over the Easter holidays to keep their minds fresh in readiness for SATs next month. So when not enjoying the sunshine and chocolate eggs if they could use some of these please. They have all worked so hard this term it will really help to consolidate all of that hard work.

A big Thank you from Mr Ford.

After School Clubs

Just a reminder that all after school activities start back in the week commencing **2nd May**. (This does not include Club Stretton after school club)

The cooking club date allocations will be emailed out after Easter to those who have been given a place. If you have not been told that your child does not have a place in a club then please assume that they do.
