We have no Birthdays this week

Dear parents and carers,

We have had a fantastic afternoon watching the Phase 2 children's performance of Harry Potter. I hope many of you are looking forward to their performances next week. Thank you ever so much to all of the parents and helpers last week at our school fete. I think it must have been the most support I have ever seen since starting at the school. The Foss team (expertly chaired by Mrs Rogan), managed to raise a staggering £1500! This is an incredible amount and it certainly goes a long way in supporting the children's learning and fun activities throughout the school year.

We are now edging towards the end of the school year but still have plenty happening in the diary. There is a note overleaf regarding some helpers wanted...please do have a look and spare us some time as this is very much **our** school, and all the support that is given, makes it a much better place to be for the children.

Have another nice and sunny weekend!
Alex Davies

Bees of The Week

Ellis –
For having a fantastic attitude and throwing himself into the Aylestone School games with great enthusiasm!

William –
For having a huge enthusiasm for nature, animals, the rainforest and the world!

Jacob –
For trying hard with his reading, concentration and behavior. Keep it up young man.

Jaya –
For your amazing scientific knowledge in our Harry Potter potions class!

Forest Schools

This half term, for the first time ever, our Reception class have been taking part in Forest School sessions over at the Parish Council site opposite the school. They have had a fantastic few sessions learning about the outdoors and having fun. They have made mud sculptures and crowns and have even hunted for mini beasts. To finish off the term next week Bumble Bees will be having a Forest School Teddy Bears Picnic.

After School Clubs

Just a reminder that next week will be the last week of all after school activity clubs, apart from Cross fit which has already finished.

There will be no clubs during the last week of term.

School Uniform

We have now more or less cleared our stock of school uniform, with just a very small number of items remaining. This has meant that we can at last go live with our uniform page on the Tesco website.

If you wish to order anything you need to visit
www.tesco.com/direct

Once on the site select **clothing & accessories**, then **school uniform** then select **uniform embroidery**. You will then be prompted to put in the school name or postcode, this will take you to our school page where you will find a selection of embroidered and plain uniform options to order. You can place orders for home delivery (for a small delivery charge) or collect for free from the local store.

If anyone has any problems accessing the site or placing orders then please come and ask for help from the school office.

Photograph Orders

All orders for whole school, class and leavers photographs need to be returned to school by Monday please to give enough time for the orders to be processed and fulfilled before the end of term.

Calling All Dads (And mums if you are willing)

FOSS have very kindly donated a brand new Play house to Bumble Bees class. This now needs building and painting and so we are looking to see if there are any dads or mums out there that would be happy to give an afternoon of their time to come and do this for us before the end of the term. There is also some raking that we would like some help to carry out. If anyone could give some time up then please let us know in the office. We would be very grateful for any offers.

Play House

If anyone would like our old play house you would be very welcome to it. You would need to be able to dismantle it and transport it yourselves though. Please let us know if you would be interested.
