

STRETTON SUGWAS BEE

Newsletter – Friday 9th March 2018

Happy Birthday to

Susie. S, Theo. M, Paige, Dakota. S, Sadie. S, Yasmin. J, Kitty. E, & Molly. T.

Dear Parents and Guardians

Thank you for your understanding and cooperation regarding the school closure last week. Fingers crossed that is the last of the disruptions for this year due to snow as we have a very busy few weeks of activities, events and class trips coming up in the lead up to Easter. Next week is National Science week, the school council are looking forward to running our Science Gadget Shop at lunchtimes through the week. We also have the Children's £2 bookshop on Tuesday next week. The following week will be action packed too with our Sport Relief challenges taking place each day.

Looking forward to seeing lots of you this afternoon at the FOSS Mother's Day coffee & cake afternoon along with 'Paul & Mary' for the Great British Bake off cake decorating competition!

Kindest regards,
Alex Davies

Mother's Day Cupcake Competition

We had some fantastic entries today for the School Council's Mother's Day cupcake competition. We certainly have some budding patissiers among our children!

The judges all had a tough time choosing one winner from each class, so they chose 2 instead! Here they are:

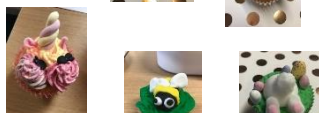

Bumble Bees: Charlie & Frankie

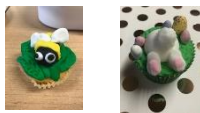

Busy Bees: Bella & Ellie

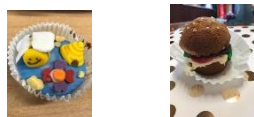

Honey Bees: Taryn & Susie

Queen Bees: Anna & Bethan

Worker Bees: Isla & Ryan

Congratulations to you all!

Football Boots/Old Trainers

A plea from Mrs Steer –If anyone has any old children's trainers or football boots that they would be willing to donate they would be really useful for us to keep in a spares box for occasions when children may have forgotten to bring theirs in. Thank you.

REMINDER

Please do not block the lane running down to the new car park at pick up times. Please use the new car park and then move your car once the gate is open if you need to.

Eco School News

Stretton Sugwas have now proudly received the Eco-Schools Green flag and certificate to officially show that we are now recognised as an 'eco' school. 'Eco-Schools' is a global programme and is part of the Keep Britain Tidy Environmental charity. Over the last 3 years, the school have been focusing on the 9 different topic areas; litter, waste, water, energy, healthy living, school grounds, transport, biodiversity and global citizenship.

Not only do we have to say a huge thank you to Mrs Dawnay, the Eco Committee and Eco Club for helping the school become more environmentally aware; we also have to say a huge thank you to Millie and the Vegetarian Society who gave us the funding and for inspiring us to take part in Meat Free Monday's!

Next event run by the Eco Committee is 'The Great British Spring Clean' litter pick on **Friday 16th March** at 1.30pm. Any parent volunteers are welcome to come and join in!
