

STRETTON SUGWAS BEE

Newsletter – Friday 9th November 2018

**Happy Birthday to
Oliver J. Hunter G. Ralph H. Murray D. & Rachel B.**

Dear Parents and Guardians,

We are straight back into routines and a busy week to start our half term has flown by! There has been lots going on, with the Bumble Bees visiting Queenswood, some year 6 children taking part in a maths competition at Trinity Primary, the whole school celebrating remembrance by creating their own poppies and also the fantastic performances from Queen Bees at the Left Bank this week with the River Song project. The River Song production was a particular highlight as the children and staff worked particularly hard and were able to produce a very polished and professional dance production. I know I was very proud of the children and am sure there were many proud parents also.

Please do come and join me on Sunday morning for the remembrance service at Stretton Sugwas Church from 9am.

Have a good weekend,
Alex Davies

Riversong

A massive well done to the Queen Bees on their fantastic Riversong Performances. They worked extremely hard in rehearsals to ensure their performances were amazing.

It has been an incredible project for the children to be involved in and has allowed them to work closely with a professional production team (Rachel and Estelle) improving their drama and singing skills. Thank you to all families and friends who attended the shows and supported in the smooth transitions between school and Left bank. It has been lovely to hear so many positive comments about how dedicated, enthusiastic and hardworking the children were. We are so super proud of each and every Queen Bee!

If anyone would like to purchase a CD we do have some available at a cost of £3.00 each. Please send in cash in a named envelope if you would like one of these.

Also, if any parents would like to leave any feedback for the production company your comments would be welcome. Please email Rachel at

info@feralproductions.org.
