

# STRETTON SUGWAS BEE

Newsletter – Friday 16th October 2020

**Happy Birthday to  
 Alice B. & Amelia B.**

Dear parents and carers,

Here we are looking into our penultimate week of the half term. Thank you for all of your support and understanding this week...to say it had been a tough week would be an understatement. Staff, again, have worked incredibly hard to continue to ensure support has been given where necessary and to create an atmosphere of mutual support and compassion. The children are all very much a credit to you all and continue to amaze all of us with their resilience and strength.

Please give an extra cwttch or cuddle to your loved ones this weekend.

Alex Davies
