

STRETTON SUGWAS BEE

Newsletter – Friday 23rd October 2020

Happy Birthday to

Olly W, George W, Sonia K, Thomas D-J, Rylan R-P, Willow J-D, Zach S, George C & Noah D.

Dear parents and carers,

Here we are at the end of our first half term for the academic year 2020! Thank you all for your time this week with the parent/teacher phone calls. There have been some lovely, positive comments and I would like to thank you all for your support. I know the teachers found it strange not being able to share work in books etc. but hopefully the next meeting in Spring, this can be done. It does seem strange for us all to get to the half term with so little contact between parents and school...hopefully the Harvest videos on the school website will give you a smile and something to remember us all by! It has been lovely showing prospective parents around the school in the evenings over the last two weeks, please don't forget to share this with any friends or family as we have more visits planned in November. Please get them to ring the school office.

I wish you all a very restful half term break - whatever you are doing - and see you all back safely on Monday 2nd November.

Bees of The Week

Olly –
 For fantastic concentration all term and amazing standards in his work.

Callum –
 For always giving 100% and being a lovely member of the Honey Bees.

Ellie –
 For super Maths knowledge, and helping others when they need it.

Max –
 For being such a kind and respectful pupil during PSHE.

Finlay –
 For settling back in really well and playing nicely with your friends.

This half term's Christian Value is –Generosity

We have been remembering the special life of George Price as today marked his funeral service. We held a minute silence in each classroom, and have released eco-friendly lanterns filled with love in memory of him. We organised a fly over with the helicopter team from camp, which they did especially in his memory, which George would have absolutely loved. The whole school and preschool were able to watch this, thank you to all that helped to make it happen.

A beautiful picture drawn by George's brother, Oscar.

Harvest

Each class has this week prepared, rehearsed and recorded songs, poems, re-enactments and prayers for our school harvest video. You can now view the video by clicking this link

Thank you for the generous donations that have been sent in this week for the Herefordshire Food Bank. These have now been collected, very kindly, by Jess Wall who will deliver them to the food bank on our behalf.

School Lunches

Please remember that if you would like to order a school lunch, with our new catering company, for your child to have in the first week after half term, the order will need to be placed for by Monday 26th October. Orders need to be submitted a week in advance.

After School Club

If your children are attending after school club after half term you might want to send them in with a change of clothes, old joggers or leggings and some old trainers for outdoor play. The children do love to play outdoors even if it is a bit damp or muddy, so this way they can save their uniform from getting damp & muddy too!
