Nursery Rhymes Topic Web: Autumn Term 1

Mrs O'Reilly: YR Bumble Bees

Cycle 1

Dear Parents/Carers,

I'm very excited to welcome you all to the Bumble Bees. On the back of this letter is a topic web for our first topic 'Nursery Rhymes'. This shows some of the activities we might do over the first half term. However, sometimes weeks do change depending on what else is happening within the school.

We will be having PE on Wednesdays this term, starting from Wednesday 12th September. If you could please make sure PE kits have been sent into school by this date then that would be great.

If you haven't already please follow our school twitter @strettonsugwas

And also our class twitter @strettoneyfs

On our class page I will keep you up to date with the nursery rhymes we are doing, sounds we are learning in phonics and our Maths focus each week.

We will be holding a phonics evening at school soon, please come along to find out more about how we teach phonics and reading.

As always any questions/queries do not hesitate to come and see me.

Many thanks,
Mrs O'Reilly

You Can Help your Child By:

Sharing stories and looking at books together with your child.

Finding numbers and letters when you are out and about

Finding different shapes outside.

You Can Help the School By:

Sending PE kits in.

Signing your child's reading record when you read with them.

Term Dates:

For other dates and events during the term, please check the school website regularly:

www.strettonsugwas.com

We have a class teddy called Daisy. She chooses a child to stay with every weekend. When you have her if you could please write in her diary and put in photos/pictures of what you get up to that would be great! She is our reading bear so can you read her at least one bedtime story and tell us about it. Please write this title at the back of the book to encourage others to enjoy books.
