## How we use the Pupil Premium

The school receives additional money each year for pupils who are Looked After Children, registered to receive free school meals (FSM). The Service Children who are from families where one or more parent is currently in the British armed forces is now looked at in a separate document.

This money is used to raise the academic performance and develop the confidence of children who may, for a variety of reasons, be educational disadvantaged or have interruptions in their schooling.

At Stretton Sugwas Academy we use this money in a number of different ways to target children who are eligible for pupil premium. As with the previous year we will continue to provide staff with effective strategies to give pupils feedback to develop reading, writing and maths also target support for underperforming pupil.

Currently the funding is worked out as following:

<b>Pupils</b>	<b>Pupil Premium Per Pupil</b>
Pupils in Yr R to Yr 6 recorded as Ever 6 FSM	£1320
Looked After Children (LAC)	£2300

Where it states Ever 6, this is to include pupils/families that were previously included, but are no longer. The school can still claim for that child 6 years after they have been eligible (whilst still at the school).

It is important to remember that it is down to the school to determine how the Pupil Premium money is best spent. The conditions of the grant state that, "the grant may be spent by maintained schools for the purposes of the school; that is to say for the educational benefit of pupils registered at that school". The primary goal is "raising the attainment of disadvantaged pupils of all abilities to reach their potential".

A breakdown of how the money was spent and the impact it had on the Pupil Premium children can be found in the 2018-2019 Review document on the school's website.

For the year 2019-2020 Stretton Sugwas Academy will be providing the following:

**Pupils in receipt of Pupil Premium are viewed as a cohort and their needs are scrutinised at termly pupil progress meetings. In individual circumstances we will also consider if we can use funds to support a child or family in any way we can in agreement with the Senior Leadership Team and the family concerned.**

**If any parents would like to discuss the above in more detail we would be very happy to do so.**
