Our Christian Vision and Curriculum Intent:

"Bee"long- How will we help pupils to feel part of a team and appreciate each other's work? Have we planned opportunities for pupils to learn how to effectively communicate, work together, problem solve and lead? ✚

"Bee"lieve-How will we help pupils to be creative, imaginative and resilient, developing their growth mindset, self-awareness and talents? Is there a challenging curriculum for all, rich with relevant content and opportunities to develop a diverse range of transferable skills? 📦

"Bee"have-How will we help pupils to purposefully use the knowledge and skills taught to engage with others, the community and the world?Are there real-life opportunities for the pupils to see the impact of their knowledge, skills or work at a local and global level? ❤️

Belong, Believe, Behave. How has our Christian Vision impacted our decision-making today?
