Wk 5. Shape  
Wk 6. Shape

Religious Education

Who is Jewish and how do they live?

Geography

What is the weather like in the UK?

Computing

Digital Imagery

LTP

## Spring Term 1

### Mrs O'Reilly and Mrs Jones: Y1 Bumble Bees

Dear Parents/Carers,

We hope you've all had a lovely Christmas and the children are excited and ready to come back to school.

We will have PE on a Tuesday this half term and children will need to be wearing their PE kits to school again. We are very lucky this half term to have Coach Ruth coming in to teach us cheerleading and tumbling. We are also excited to be doing Forest Schools again on a Friday afternoon.

We are very fortunate this term to have a Worcester university student Miss Goodwin to be joining us this term on her second placement of her PGCE year.

As always if you have any concerns or queries at all please email us coreilly@orchardmat.org.uk and sjones@orchardmat.org.uk Copying us both into the email allows us both to be fully up to date with what is happening for all of the children and allows a swift reply for you.

Many thanks,

MRs O'Reilly and Mrs Jones

You Can Help your Child By:

Talking about teen numbers with your child, can you spot any out and about? Can they count out teen amounts of objects?

Encouraging your child to think about things they can do to boost their confidence

Find different shapes when you are out and about.

You Can Help the School By:

Signing your child's reading record when you read with them.

Term Dates:

For other dates and events during the term, please check the school website regularly:
