

The STRETTON BEE

The newsletter of Stretton Sugwas Church of England Academy

"Each bee plays a part in the hive." inspired by 1 Corinthians 12 : 12-31
"Just as a body, though one, has many parts, but all its many parts form one body, so it is with Christ."
 To strive to help everyone discover and use their gifts as part of a team, we encourage them to "bee" long, "bee" lieve and "bee" have.

Voice of Mr Davies- Executive Headteacher
 I love parents evenings as it gives me chance to connect with people coming in and out of school and hear feedback about their experience. I'm proud of the way in which parents and carers commented on the openness, effort and care of staff. It was lovely to see some of the children too and their delighted faces after hearing their progress. Thank you for your support as parents and carers.

Voice of Mr Ford- Headteacher

This month's theme has been love and respect. What do I love about Stretton? I've had the privilege of taking visitors around school recently and every class we went into had a feeling of peace and hard work. This month, the WOW team and worship teams from two other schools were working together on ideas to lead assemblies. I've also had national organisations email me to ask about some of the work that we are doing to promote kindness in our school. There are lots of things to love about Stretton but it is so tangibly a place of love as well. I hope you feel it too.

Some of our lovely Busy Bees pupils (the ones in the Global Gang) were invited to plant a tree for the community on the Copse this week to commemorate the King's coronation.

The children did really well and got stuck in with the digging and planting.

The tree is a Rowan which is great because there is a super boy called Rowan in Busy Bees class!
